
SR-One and Oxbridge Biotech Roundtable invite young bio-entrepreneurs from the Boston Area to enter the world's largest life science business plan competition, **OneStart**. The winner will receive **\$150k**, 1 year of free lab space and on-going legal and intellectual property advice.

First round applications are open from **October 15th to December 15th 2013**. Entrants can join individually or as a team, and are encouraged to recruit other scientists, business students, and anyone else with the talent and motivation to execute on a great idea. We welcome ideas at ALL stages of development. 35 semi-finalists will receive direct mentorship from experienced industry professionals, chances to network with Venture Capital, Pharmaceutical and Biotech executives and the right to attend a Business Bootcamp in San Francisco with workshops from our sponsors, including GSK, Roche and Nature Biotech.

OneStart is open to any applicants age 35 and under as of January 1, 2014, who are living and working in North or South America.

Meet us to find out more at our **Official Boston Launch Reception**, organized with the support of GSAS Harvard Biotechnology Club:

Nov. 13, 5:30 – 8:30 PM
Cannon Room, Building C
Harvard Medical School Quad
